

# Manufacturer Line Card

YESCO maintains over 50,000 square feet of location space, serving over 6000 customers while stocking and re-selling 165,000 products from over 400 manufacturers. YESCO's territory covers a 12 county region in Western Pennsylvania and Eastern Ohio. We are here to serve all your electrical supply requirements.

## Vendor Managed Inventory

Let our trained experts manage your electrical supply needs for you, either in one of our convenient, multiple facilities or right on your job site. YESCO takes the guess work out of product inventory and provides simple, convenient access to literally thousands of products right at your fingertips. **Contact YESCO for more information.**
